Towako
What are you doing.
Ah
Someone tore our poster again?
They're pretty stubborn
You don't get it.
びっ
The one who prevented the club from recruiting.
The one who didn't give the form for a booth.
All the things you're thinking about were my doing, Yukina.
You never suspected me, so it was easy.

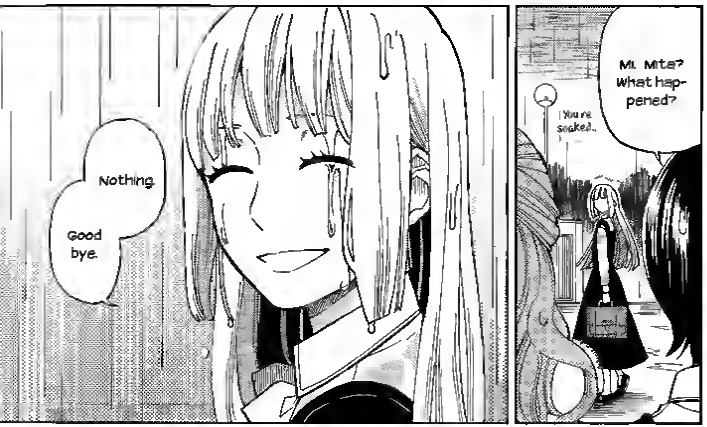
That's no joke. the one who wanted the club to disappear wasn't the student council
It was me, and only me
ゴロゴロ…
Sorry, but I don't find your joke very funny
Do you feel like giving up, now ?
らく

But why would you want that ?!
This club and this rose garden...
They were
They were important for both of us, weren't they ?
The club,the garden
And you too, Yuking
Of course.

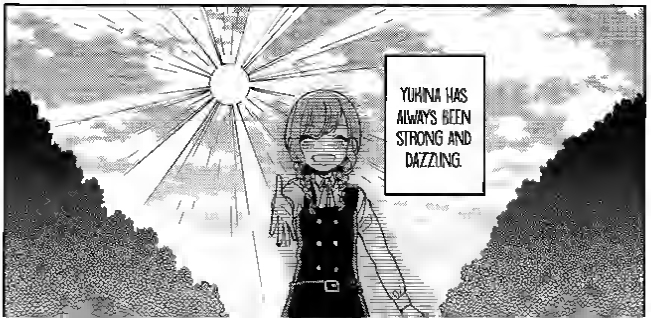
I love you all.
So I would like you to stay as you are, you see?
Towako
Because I only love what doesn't change.
I don't have a clue what you're talking about!

Forgive me, Yukina.
I thought you would say that.
So I won't follow you anymore.
Towako!
Next week is the general assembly we'll have to be ready
生徒会室
*student council room

Well, when everyone's so wonderful we don't really have anything to do
A leisurely year it was
You can think it, but you don't have to say it.



Mi, Mita? What happened?
You're soaked...
Nothing.
Good bye.

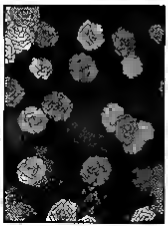


YUKINA HAS ALWAYS BEEN STRONG AND DAZZLING.

It's always more fun to add some variety don't you think?

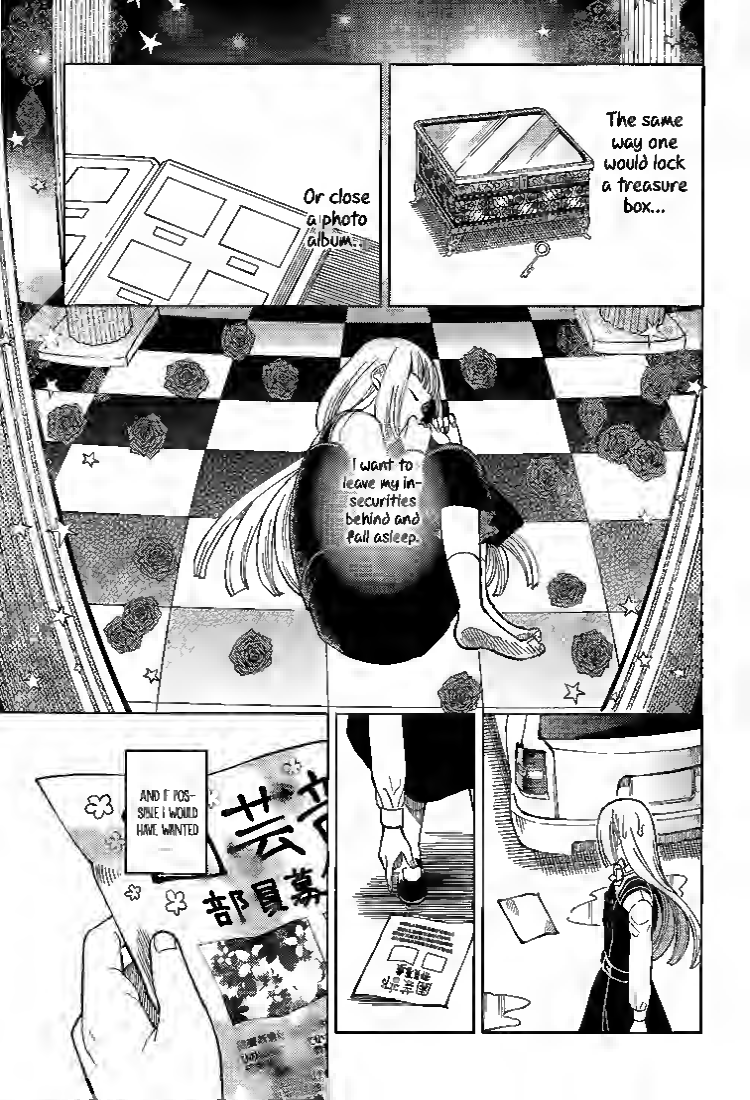
THE PATH SHE SHOWS ME IS ALWAYS WISE AND BRIGHT

I like when things are pure and unmixed like now



No, I don't think so.

I want things that are certain to never change.



The same way one would lock a treasure box...
Or close a photo album.
I want to leave my insecurities behind and fall asleep.
AND IF POSSIBLE I WOULD HAVE WANTED

My greatest enemy turned out to be my best friend
In the end, I couldn't talk with Towako for the entire week-end.
I'm pathetic
Which means I was only the only one who hadn't noticed anything?
And Kurosawa seemed to be saying «Do you finally get it?»
When I went to apologize to the student council they looked at me like they had figured it out
I don't get her, and I don't care anymore.
Whoever peeks a fight with the club. I'll fight them.
I'm its president
まぢ。
After all, I thought that no matter who the enemy was
Towako would always be there to support me

Don't you think so, Shiramine?
UGH!
They've beautifully bloomed
What a waste
I didn't come to see if you managed to get along with the others okay?!
I came to see the roses!
You get there before I do, that's all
I know, I know
You could have just called me out, you know
I'm pretty sure you were here yesterday and the day before
13
Where are the other members?
You're all alone to water the flowers?
Well... since you're here, I might as well as you

And I thought I had finally found something I liked
Beats me.
The club might actually be disbanded at today's general assembly
I'll give you a hand.
Thanks

I'll let the soft tennis club talk.
The setting of a soft tennis court where the rose garden currently is.
Now, let's move to the next topic.

*Seiran Academy high-school section
General assembly of the students

Does the gardening club have anything to add?
Hey I don't see Ooshiro anywhere
Now that you say it
Doesn't that concern the gardening club directly?
15
No, nothing.
Does anyone have other remarks?
.....

Let's move to the vote, then
If you agree, please express it by a round of applause

From next year on, the rose garden will be turned into a court for the soft tennis club
Alright. Considering the number of students agreeing...

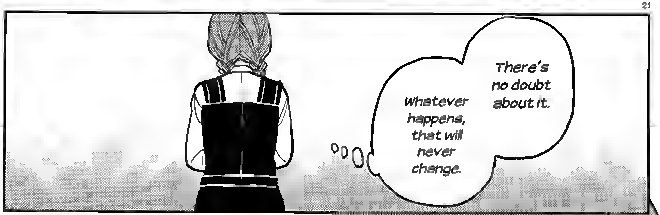
Buy yourself a new phone, Senpai

Beautiful.
All this
We did it together
We sure did.



There's no doubt about it.
Whatever happens, that will never change.

Is this...
What you wanted...? Towako...

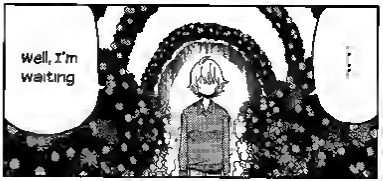
Kurosawa!
Uh?
President
Don't "uh?" me.
If you say so
You should send it
I was starting to think you had stopped coming
Uah
Sorry about that.
It's Shiramine who told me to send the photo
...isn't here, of course.
And Tawako ...

I did what I could
Was it hard?
Thank you
I see you took care of the flower in my absence

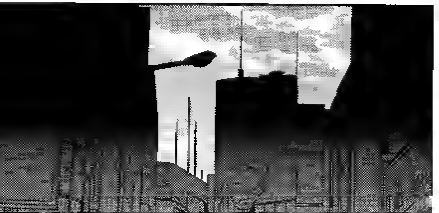
But you know, Shiramine comes to help me, lately, and I don't dislike it.
So you didn't really have to come back
It was for me...
WELL, SORRY IF I'M IN THE WAY?!

ドン

How dare you be so cold-hearted to your senpai?!
Stay here, I'll be back!!



Well, I'm waiting
...



I have to take her back. At least her.
But I understand...
Maybe no one can really understand her feelings...
Towako simply wanted to keep us dear in her heart.
The club
the garden
And me
In that case...

TOWAKO
!!

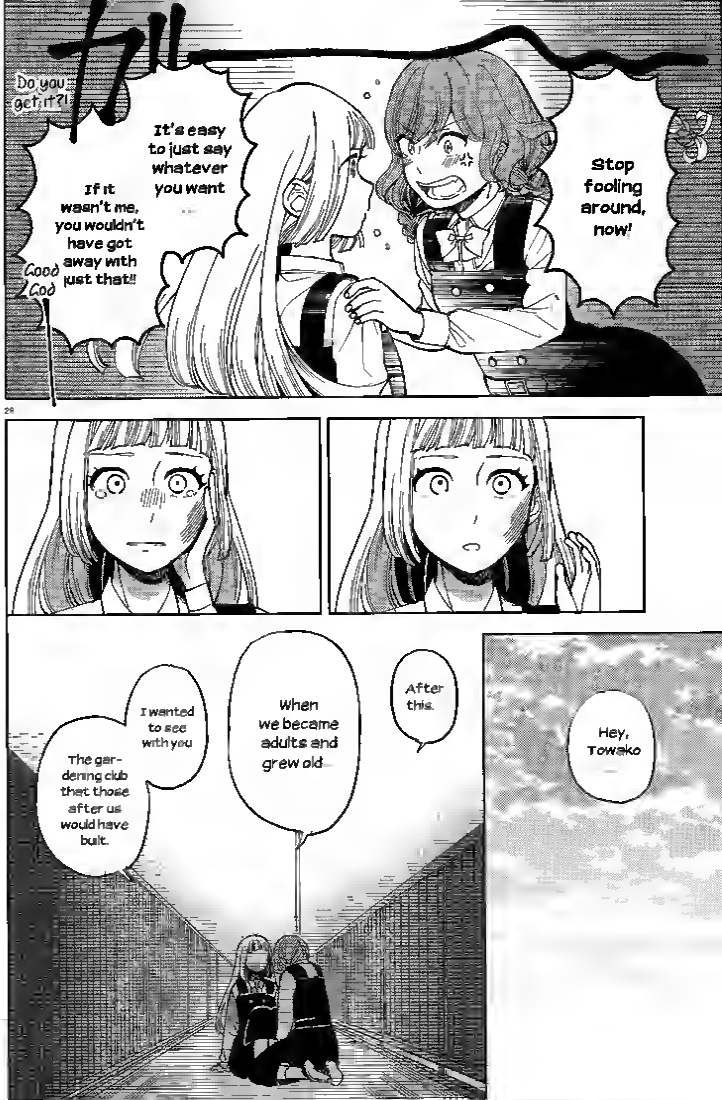
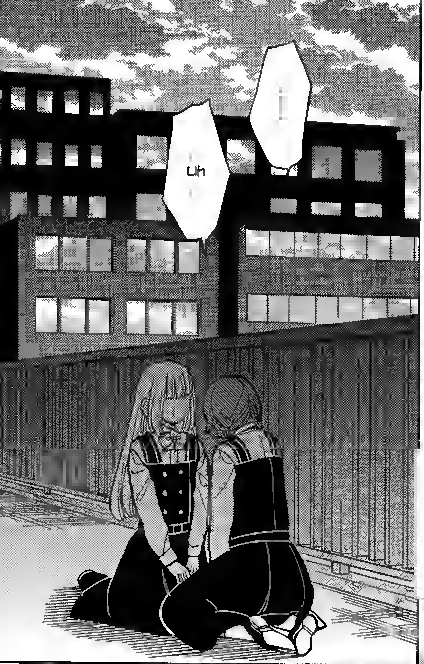
Remember? I said that the culprit would get a taste of my fist.
Sorry



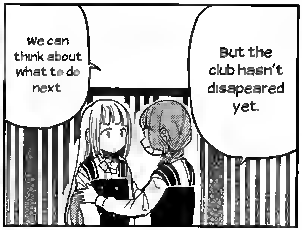
Do you get it?!
It's easy to just say whatever you want
If it wasn't me, you wouldn't have got away with just that!!
Good God
Stop fooling around, now!
Hey, Towako
After this.
When we became adults and grew old
I wanted to see with you
The gardening club that those after us would have built.

To me, that was the closest thing to eternity
But I didn't want to see that
Who knows what will happen in such a far-away future?
So I destroyed it
This way nothing will change.
Everything will remain pure
I thought this is what I wanted, no matter the price.
Ghhh!!

But then why do I...
It's too late now, stupid Towako

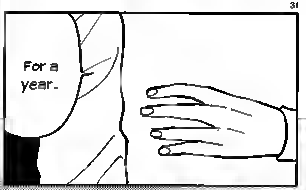


Uh



We can think about what to do next
But the club hasn't disappeared yet.

The rose garden will continue to exist for a year



For a year.

Forgive me, Yukina.
I'm sorry.

~Behind the scenes~

After the General Assembly

Well, thanks to that we didn't have classes.
And it's a pain in the butt to move the chairs
It felt like everything was already decided.
Was all that even needed?
I guess you're right.
Ah, this bloody assembly is finally over
